

Webinar 13 November 2019

# Clean Energy for EU Islands

## ...and the Covenant of Mayors

The Clean Energy Transition Agendas and the link with Sustainable Energy and Climate Action Plans

### **Practical information:**

- Questions can be posed using the questions application in your menu.
- After the presentation it will be possible to discuss using your own microphone, so please ensure to have this available.
- The first part of the session will be recorded and available on [www.euislands.eu](http://www.euislands.eu) later

# Two initiatives - same objectives

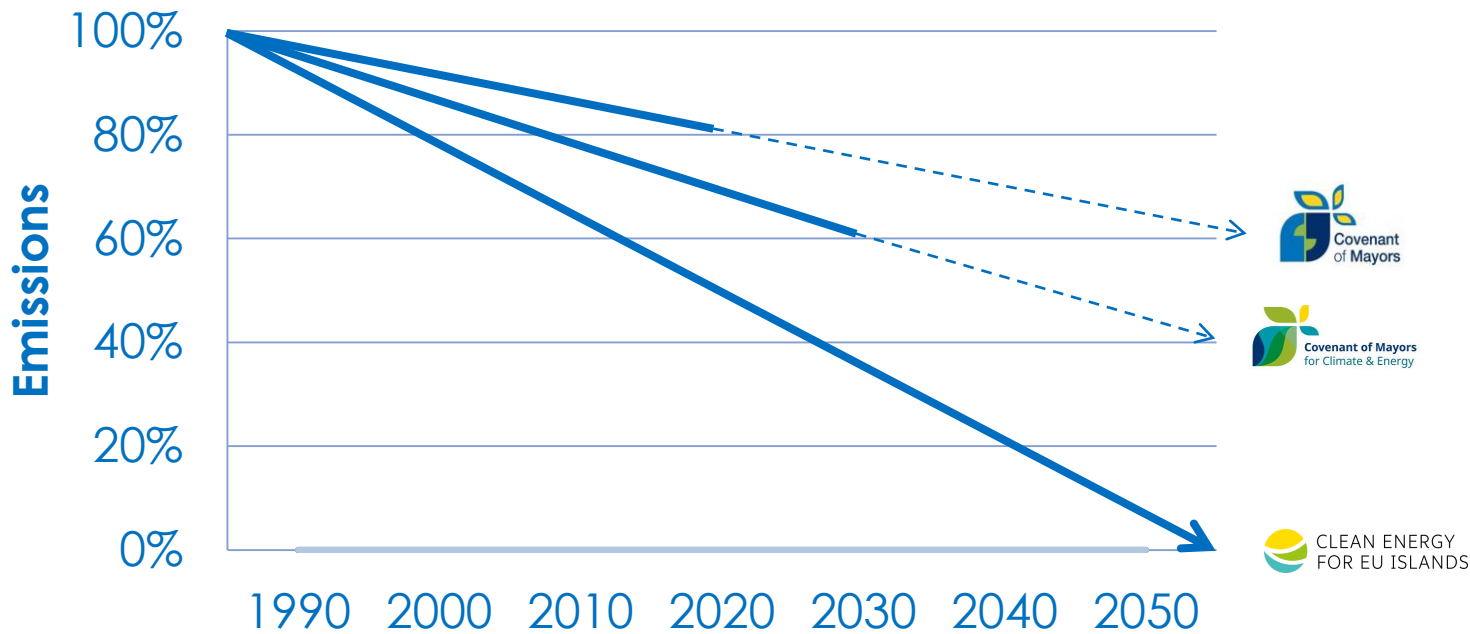

- Climate Change action
- Local analysis, planning and implementation
- Multi level governance support
- EU support for bottom up development
- Tools for mainstreaming climate action
- Tangible emission targets

# Overview

	 <p>CLEAN ENERGY FOR EU ISLANDS</p>	 <p>Covenant of Mayors for Climate &amp; Energy</p>
Targets	Full decarbonisation	20% emission reduction or 40% and adaptation actions
Timeframes	Before 2050 (long term)	20% by 2020 (short term) 40% by 2030 (medium term)
